## who we are

Buro 45 is an established, progressive company, offering a broad range of modern commercial furniture complemented by related services to clients and designers across the Gulf Region.

Our goal is to assist clients in getting the most from their business by designing dynamic, tailor-made solutions.

Our passion is to make sure we conduct our business in a direct and transparent manner. This runs through the heart of everything we do – from the first client meeting, right down to how the project is delivered.

Our clients place high value on quality design – and so do we. Buro 45 offers a large variety of carefully selected, innovative furniture systems. This allows our team of professionals the flexibility to create layouts that are suitable for all types of environment.

## what we do

Buro 45 offers a wide range of services for a variety of different industry sectors that help our clients to reduce costs and improve overall performance.

Whatever the project budget, we believe in the value of creative solutions that make each space more organised, more productive and more inspirational.

Our services include space planning, concept design, furniture planning, feasibility studies, relocation coordination and offsite storage facilities, to name a few.

Working side by side with architects and designers, we have the understanding, flexibility and resources to deliver an innovative space that reflects the individual needs of the client.

Take a look at our services in more detail to find out what we do and how we can assist you.

### furniture selection

With over a decade of experience in selecting furniture, Buro 45 have worked on every scale of project, from furnishing government departments through to the detail of specifying individual chairs. Our team have in-depth knowledge of the furniture industry and our product lines and will guide our clients through the selection process.

Whether the project is a commercial office, restaurant or school, it is the carefully selected furniture that goes a long way towards creating a signature look.

From the ergonomics of chairs to the sustainability issues that are coming to the fore, we work hard to select quality products that our clients can trust. We give our clients objective, clear advice on the best furniture for their project that falls in line with the overall budget.

## services

### post contract support

At Buro 45, client satisfaction is paramount.

Our commitment continues with post-contract support and customer care.

Our dedicated team are on hand to ensure that any issues that may arise following project completion and installation are dealt with swiftly and efficiently.

### planning & coordination

To ensure a hassle free process for our clients, our team of dedicated professionals is on hand throughout the duration of each project.

From obtaining and understanding a project brief, to handling and installing furniture consignments, the process is continuous from conception to completion and coordinated with the needs of the client in mind. We pride ourselves in consistently demonstrating standards of care and excellence.

Our experience in space management is second to none, so whether we are planning for a project of modest size or an entire commercial development, our clients always get the best in current thinking.

Through continuous hard work, the team at Buro 45 have developed a steadfast reputation in the industry for reliable service.

## how we do it

Buro 45 combines commercial expertise with high quality product lines to ensure every project is undertaken with attention to detail and delivered on time.

We recognize that our clients require a high-quality product. By offering superior products and services, we believe that we will gain a competitive edge in the market-place and promote lasting success. This, in turn, provides a stable base for continuous client satisfaction.

As part of our commitment to quality, Buro 45 actively source suppliers who have been awarded the ISO 9001 Certification. This means that each preferred supplier is internationally recognized for creating and controlling high quality products that meet with the needs and expectations of our clients.

At Buro 45, we have long standing relationships with a number of leading providers.

Through direct sourcing, we offer extremely competitive prices, enabling us to offer exceptional value to our clients, from sourcing and delivery to installation.

Each of the preferred suppliers that we have selected to work with comes highly recommended and possesses demanding certifications covering both quality assurance and environmental management.

As part of our dedication to excellence, Buro 45 regularly visits each supplier and their factory; similarly, the suppliers visit our showrooms. This 'hands on' approach guarantees our continual development and specialist knowledge of the products we offer.

## who we support

Buro 45 are proud to support ShelterBox, an international disaster relief charity delivering emergency shelter worldwide. They provide shelter, warmth and dignity to families who have lost everything in natural or manmade disasters, by delivering boxes of aid.

Each box supplies an extended family with a specially designed tent, tested to withstand extreme weather conditions, and other lifesaving equipment such as blankets, ground sheets, cooking equipment, water purification equipment and mosquito nets to use while they are displaced or homeless.

You can find out more about ShelterBox by visiting their website, [www.shelterbox.org](http://www.shelterbox.org).
